Names (and titles) of Additional Participants (if any):

Name:	Title:

Part II: Needs Analysis:
Please answer the following questions to help your teachers understand your specific needs:

<p>Describe your current ability in the target language, including speaking, listening, reading and writing.</p>

List any previous training in the target language (be specific as to schools where you studied, length of classes, texts studied, time spent in the country of the target language, etc.).

Please answer the following questions to help your teachers understand your specific learning style:

What types of activities are most useful for you when learning another language (e.g. listening to news broadcasts, talking to native speakers, reading textbooks, etc.)?

What types of activities are NOT helpful for you when learning another language?

Part III: Focus for this course:

Given your needs and goals, what skills would you most like to focus on during this language training?

Many of the programs in CLS use authentic materials in specific content areas. Please check the following subject areas that you would like to focus on in your program, as applicable.

- science and technology (specifically: _____)
- current events (specifically: _____)
- international affairs/diplomacy (specifically: _____)
- language and culture (specifically: _____)
- business (specifically: _____)
- other: _____
